Notes:

Lord of Life exists to teach people about the love of God in Christ Jesus,
that He lived for us a perfect life,
that He died for us for our sins,
that He won for us a place in heaven.

In love we also want to help you learn to speak and understand English better.

English class will be taught from 6:30-7:30 PM on Monday nights from September 19 – October 24 (6 weeks). A new session will run November 14 – December 19 (6 more weeks).

Free childcare will be available each night.

The cost for your student book is \$25. This book will be used in class and is yours to keep and use at home. Let us know if you cannot afford to pay for the book.

We invite you to join us for simple English Bible Study about Jesus at the end of each class. It will be taught by our pastor or vicar.
